Dr. Herl reported that a lot of construction is going on in the School District starting with all the Bond Projects, along with a lot of our renovations. Dr. Herl gave a brief update on some of the projects. At Three Trails the second floor epoxy is done and the remodeling of the classrooms is almost complete. Randall is pretty torn up with the remodeling of all classrooms. Next year Randall is going to be a Model Elementary. Bryant and Luff are both having K – 1 remodels. Benton is having epoxy flooring in the restrooms and kitchen. The Nutrition Services building is coming along well; significant progress has been made since the tour last month. The windows have been removed from the Ebuilding at Van Horn and it will be torn down. Construction fences are up at Truman and Chrisman and demolition has started inside the building. HVAC units started going in at Truman and Sycamore. Along with that, we have our Project Shine coming up. Our Project Shine buildings this year are Nowlin, Sycamore Hills, Santa Fe, Spring Branch, and Benton. In conjunction with all the painting and landscaping, we always try to do something special for each of the Project Shine schools. At Nowlin we will be carpeting the library and ancillary classrooms, and replacing and updating the water
fountains. We will be putting epoxy flooring in the restrooms at Sycamore, Santa Fe, Spring Branch, and Benton.

Today we received results back from MAP testing. We do not have them in full, but will have a better idea in the next few days. On first blush, we are very pleased.

Several items under New Business were presented for the Board of Education's consideration for approval.

Dave Johnson of CBIZ was introduced. There will be a 0% increase to Board paid base plans for health insurance for 2017-2018 school year beginning October 1, 2017. CBIZ has worked diligently with Blue Cross/Blue Shield to secure this no rate increase to insurance premiums. There will be a 3% increase to the two Buy Up plans, due primarily to usage and activity of those plans. There will be a minor change to the HMO Buy Up plan, requiring copay for Chiropractic visits. CBIZ is pleased with the renewal, based on annual trends of slightly higher than 9%.

Greg Finke made the motion that the Board of Education approves Blue Cross/Blue Shield to provide Health Insurance renewal coverage to the Independence School District becoming effective October 1, 2017 at rate increase of 0% for the District's Base Plans. The motion was seconded by Ken Johnston and unanimously approved by the Board of Education.

Ann Franklin made the motion that the Board of Education approves the declaration of surplus items. The motion was seconded by Ken Johnston and unanimously approved by the Board of Education.

Dr. Scott spoke of the Salary Schedule for FY18. We use an indexed Salary Schedule, which means each individual is treated the same; everyone gets the same % of raise when we agree to add to the base. For 2017-2018 $100 will be added to the indexed base. This will bring the certified salary schedule base to $38,600, which includes the overlay. The District also pays an additional $1,200 for the New Teacher Academy.

Greg Finke made the motion that the Board of Education approves the salary schedule for the 2017-2018 school year as presented. The motion was seconded by Denise Fears and unanimously approved by the Board of Education.

They did have sufficient conversations regarding topics not necessarily reflected in the Collective Bargaining Agreement, but instead in the Transportation Employee Handbook.

THE SALARY SCHEDULE...EXPLAINED

UNDERSTANDING THE SCHEDULE

The Independence School District uses an indexed salary schedule to determine certified salaries. The index is the number you will find in the salary schedule (to your right) directly under the salary for each step and column. The salary for each step and column is determined by multiplying the index number by the base salary – or the salary found at Bachelors Step 1. For example, if you are have a Masters in field and are at step 5, you would take 1,308 and multiply it by $33,900. This would give you the salary you see in the schedule of $44,341.

The genius of our salary schedule is that it treats everyone equitably. If the base is raised 2%, all employees on the schedule regardless of step, receive the same percentage raise. Also by allowing employees to get to the top of the schedule in 22 years, our District helps increase your lifetime earnings potential. Many districts drag out the number of years to get to the top of the schedule, keeping employees from reaching the highest earning potential and thereby cutting their lifetime earnings.

SCHEDULE MOVEMENT

Step movement occurs for every year of experience. Movement for professional improvement occurs when you have submitted transcripts to Human Resources documenting credit hours and/or degrees earned that are related to your field. In order to have your pay adjusted for all 12 paychecks you must submit your transcripts by August 10th. To receive the full movement increase, transcripts must be submitted no later than October 10th.

WHAT ARE THE TAN BOXES?

Our schedule is highly competitive with other metro districts in terms of lifetime earnings potential. However there was a clear problem with our beginning teacher's schedule. In order to make the schedule competitive one of two things would need to have occurred. One -- adding $3,500 to the base; an action that would have cost over $7,000,000. Or by adding a salary overlay to the steps in question, at a cost of $70,000 we could make the entire salary schedule competitive. Option 2 was the only option that made sense both from a financial standpoint and a recruiting standpoint.

AND THE BLUE BOX ON STEP ONE?

This is the base salary plus a $1,200 stipend that new teachers get regardless of placement on the schedule. The stipend is compensation for the week of extra time new teachers give in for professional development at the beginning and throughout the school year.

NATIONAL BOARD STIPEND

As an added incentive to the schedule, any teacher that receives National Board Certification receives a $3,000 stipend for each year he/she continues to be certified under the program.

Greg Finke made the motion that the Board of Education approves the New Multi-Year Collective Bargaining Agreement with IESP for the 2017-2020 school years as presented. The motion was seconded by Ann Franklin and unanimously approved by the Board of Education.

Dr. Hirl asked that we establish June 29, 2017 at 7:30 a.m. to approve the 2017-2018 School District Budget. This would not only include the budget, but any budget amendments as we close out this FY. A reminder that after the budget hearing we will have our groundbreaking for the new elementary school at 9:00 a.m.

Denise Fears made the motion that the Board of Education schedule a Special Board meeting on Thursday, June 29, 2017 at 7:30 a.m. for a public hearing on the proposed budget for the 2017-2018 school year. The motion was seconded by Ken Johnston and unanimously approved by the Board of Education.

There being no further business to come before the Board of Education, Ann Franklin made the motion, second by Denise Fears, to adjourn the meeting and go into executive session for real estate, legal, and personnel issues at 7:00 p.m. The motion was approved as follows:

ARTICLE 7 GRIEVANCE PROCEDURES

SECTION 7.1 Board Grievance Policy

The Board of Education recognizes that in any workplace misunderstandings and disputes arise. If left unresolved, these disputes could undermine staff morale and can interfere with the educational mission of the District. The Board has adopted a formal process for dispute resolution that encourages staff members to resolve concerns quickly and at the most immediate administrative level. This policy does not limit the right of any employee to file grievances under any Board Policy and Regulation that provides a procedure for grieving a matter pursuant to state or federal law.
SECTION 7.2 Definitions

Grievance- A claim by an employee(s) that a written Board policy or administrative regulation has been violated or misapplied. This policy is not applicable to the content of performance evaluation nor to decisions for which state statute provides a means of resolving disputes, i.e. non renewal, termination, and reduction in force.

Day- When the dispute resolution policy requires certain action to be taken within a specific number of days, days means working days and specifically excludes weekends and school holidays. When counting days, begin with the first day following the event.

SECTION 7.3 Informal Resolution

Employees who believe that a written Board policy or administrative regulation has been violated, must meet with their immediate supervisor within ten (10) days of the alleged violation. The purpose of this informal conference is to attempt to provide clarification of the issue and, where possible, resolve the dispute.

SECTION 7.4 Formal Resolution

If the dispute is not resolved within four (4) working days of the informal conference, the staff member may initiate the formal procedure by completing a District Dispute Form and submitting this form to the staff member's immediate supervisor. A completed District Dispute Form must be submitted to the employee's immediate supervisor within ten (10) days of the informal conference.

1. **Step One: Immediate Supervisor.** Within four (4) days of receipt of the completed dispute form, the immediate supervisor will schedule a meeting with the staff member and the staff member's representative, if desired. Within ten (10) days of this conference, the immediate supervisor will provide the staff member with a written response to the dispute.

2. **Step Two: Superintendent's Designee.** If the employee is not satisfied with the resolution at Step One, the staff member may refer the dispute in writing to the Superintendent. To proceed to Step Two, the District Dispute Form must be submitted to the Superintendent within four (4) days of receipt of the Step One decision. Upon receipt of the District Dispute Form, the Superintendent shall designate a District employee to hear the Step Two dispute. Within four (4) days of receipt of the District Dispute Form, the Superintendent’s designee shall schedule a conference with the employee and the employee’s representative if desired. Within ten (10) days of the conference the Superintendent’s designee will provide the staff member with a written response to the dispute.

3. **Step Three: Review by the Superintendent.** If the employee is not satisfied with the resolution of Step Two, the employee may refer the District Dispute Form to the Superintendent for direct review. To proceed to Step Three, the District Dispute Form must be submitted to the Superintendent within four (4) days of receipt of the Step Two decision. Within four (4) days of receipt of the District Dispute Form, the Superintendent shall schedule a conference with the employee and his/her employee representative, if desired. Within ten (10) days of this conference, the Superintendent will provide the employee with a written response to the dispute.

4. **Step Four: Board of Education Review.** If the employee is not satisfied with the resolution at Step Three, the employee may refer the District Dispute Form to the Board for their consideration. To proceed to Step Four the District Dispute Form must be submitted to the
Superintendent within four (4) days of receipt of the Step Three decision. At the next regular Board meeting following the submission of the District Dispute Form, the Board will consider the dispute and determine whether to conduct a formal review of the dispute. If the Board determines that its formal review is not necessary, the decision at Step Three becomes final.

If the Board determines that its formal review is warranted by the dispute, the Board will set a date for formal review. At formal review both parties are entitled to be represented by legal counsel. Procedures for formal presentations of the dispute are determined by the Board in its discretion. Within ten (10) days of the formal review the Board will provide the staff member its written decision. The decision of the Board is final and binding on all parties.

SECTION 7.5 Miscellaneous Provisions

1. Failure of an employee to comply with the timelines provided in the procedures above will result in a final rejection of the dispute.

2. Failure of the administrator to comply with the timelines provided in the procedures above will result in the dispute being advanced to the next step.

3. Neither party to a dispute will be permitted to add witnesses or documentation which was not provided at preceding steps.

4. No employee will be retaliated against for the good faith submission and processing of a dispute under these regulations.

SECTION 7.6 Procedures for Organizational Claims

The Association may make claims pursuant to this provision. If the Association believes there has been a violation, misinterpretation, or misapplication of any of the following which are written: laws, policy, rules, orders, administrative regulations and procedures, representatives of the Association must meet with the Superintendent prior to filing a formal grievance. The purpose of this informal conference is to attempt to provide clarification of the issue and, where possible, resolve the dispute.

If the Association believes the dispute is not resolved, they may within ten (10) days initiate the formal grievance procedure by completing a District dispute form and submitting the completed form to the Superintendent.

Upon receipt of the claim, the Superintendent shall again meet with the parties of interest. Within ten (10) days of this meeting the Superintendent will render a written decision and the reasons for the decision to the Association representatives.

Any appeal of this decision by the employee group shall be made in writing to the Board of Education within ten (10) days following receipt of the decision.

The Board of Education shall meet with the parties of interest and render a decision on the appeal and the reasons therefore in writing no later than the close of the second regular Board meeting following receipt of the appeal.

SECTION 7.7 Third Party Representation
District employees shall have the right to third party representation when asked to meet with a building level administrator and/or an immediate supervisor when/if a professional improvement plan or job threatening written reprimand is to be discussed. This provision shall not apply if the meeting is the first meeting on a particular issue called by the administrator or supervisor and the only persons in attendance are the employee and the administrator or supervisor. Any subsequent meetings on the same topic, or in which multiple administrators or supervisors are present, or a job threatening professional improvement plan (certificated) or job threatening written reprimand (support staff) is issued shall allow for employee third party representation, if requested by the employee. This representative must either be a district employee or an employee group representative.

Meetings which would allow for a third party representative must be scheduled a minimum of 72 hours in advance, unless this provision is waived by the employee. The representative may confer with the employee but shall not be a spokesperson for the employee.

All parties involved in such meetings shall conduct themselves in a professional manner.

The addition of the opportunity for third party representation at the building level does not change an employee’s right under current policy to have third party representation at meetings regarding employment issues with district level administration. This does not include actions that must be taken immediately.

If the Director of Transportation has a concern about an employee (that is job threatening), the concern shall be discussed with the employee in a timely manner, but not more than ten (10) days after the concern becomes known. Employees shall have the right to an Association representative as provided in Section 7.7. The purpose of the meeting is to determine the validity of the complaint and, if valid, resolve the complaint.

2. Employees shall not be reprimanded, disciplined, demoted, reduced in pay or terminated without a written statement of the reasons for such action. An employee may review his/her personnel file through the office of Human Resources, upon request. The employee is entitled to a copy of any documents contained in his/her file.

3. Employees may appeal any disciplinary action through the grievance procedure as outlined in Article 7.
ARTICLE 6
SALARY SCHEDULES

SECTION 6.1 Salary Schedule

The current Transportation Salary Schedule is incorporated by reference into this Agreement.

ARTICLE 7
GRIEVANCE PROCEDURES

SECTION 7.1 Board Grievance Policy

The Board of Education recognizes that in any workplace misunderstandings and disputes arise. If left unresolved, these disputes could undermine staff morale and can interfere with the educational mission of the District. The Board has adopted a formal process for dispute resolution that encourages staff members to resolve concerns quickly and at the most immediate administrative level. This policy does not limit the right of any employee to file grievances under any Board Policy and Regulation that provides a procedure for grieving a matter pursuant to state or federal law.

SECTION 7.2 Definitions

Grievance- A claim by an employee(s) that a written Board policy or administrative regulation has been violated or misapplied. This policy is not applicable to the content of performance evaluation nor to decisions for which state statute provides a means of resolving disputes, i.e. non-renewal, termination, and reduction in force.

Day- When the dispute resolution policy requires certain action to be taken within a specific number of days, days means working days and specifically excludes weekends and school holidays. When counting days, begin with the first day following the event.

SECTION 7.3 Informal Resolution

Employees who believe that a written Board policy or administrative regulation has been violated, must meet with their immediate supervisor within ten (10) days of the alleged violation. The purpose of this informal conference is to attempt to provide clarification of the issue and, where possible, resolve the dispute.

SECTION 7.4 Formal Resolution

If the dispute is not resolved within four (4) working days of the informal conference, the staff member may initiate the formal procedure by completing a District Dispute Form and submitting this form to the staff member’s immediate supervisor. A completed District Dispute Form must be submitted to the employee’s immediate supervisor within ten (10) days of the informal conference.

1. Step One: Immediate Supervisor. Within four (4) days of receipt of the completed dispute form, the immediate supervisor will schedule a meeting with the staff member
and the staff member’s representative, if desired. Within ten (10) days of this conference, the immediate supervisor will provide the staff member with a written response to the dispute.

2. **Step Two: Superintendent’s Designee.** If the employee is not satisfied with the resolution at Step One, the staff member may refer the dispute in writing to the Superintendent. To proceed to Step Two, the District Dispute Form must be submitted to the Superintendent within four (4) days of receipt of the Step One decision. Upon receipt of the District Dispute Form, the Superintendent shall designate a District employee to hear the Step Two dispute. Within four (4) days of receipt of the District Dispute Form, the Superintendent’s designee shall schedule a conference with the employee and the employee’s representative if desired. Within ten (10) days of the conference the Superintendent’s designee will provide the staff member with a written response to the dispute.

3. **Step Three: Review by the Superintendent.** If the employee is not satisfied with the resolution of Step Two, the employee may refer the District Dispute Form to the Superintendent for direct review. To proceed to Step Three, the District Dispute Form must be submitted to the Superintendent within four (4) days of receipt of the Step Two decision. Within four (4) days of receipt of the District Dispute Form, the Superintendent shall schedule a conference with the employee and his/her employee representative, if desired. Within ten (10) days of this conference, the Superintendent will provide the employee with a written response to the dispute.

4. **Step Four: Board of Education Review.** If the employee is not satisfied with the resolution at Step Three, the employee may refer the District Dispute Form to the Board for their consideration. To proceed to Step Four the District Dispute Form must be submitted to the Superintendent within four (4) days of receipt of the Step Three decision. At the next regular Board meeting following the submission of the District Dispute Form, the Board will consider the dispute and determine whether to conduct a formal review of the dispute. If the Board determines that its formal review is not necessary, the decision at Step Three becomes final.

If the Board determines that its formal review is warranted by the dispute, the Board will set a date for formal review. At formal review both parties are entitled to be represented by legal counsel. Procedures for formal presentations of the dispute are determined by the Board in its discretion. Within ten (10) days of the formal review the Board will provide the staff member its written decision. The decision of the Board is final and binding on all parties.

**SECTION 7.5 Miscellaneous Provisions**

1. Failure of an employee to comply with the timelines provided in the procedures above will result in a final rejection of the dispute.

2. Failure of the administrator to comply with the timelines provided in the procedures above will result in the dispute being advanced to the next step.
3. Neither party to a dispute will be permitted to add witnesses or documentation which was not provided at preceding steps.

4. No employee will be retaliated against for the good faith submission and processing of a dispute under these regulations.

SECTION 7.6  Procedure for Organizational Claims

The Association may make claims pursuant to this provision. If the Association believes there has been a violation, misinterpretation, or misapplication of any of the following which are written: laws, policy, rules, orders, administrative regulations and procedures, representatives of the Association must meet with the Superintendent prior to filing a formal grievance. The purpose of this informal conference is to attempt to provide clarification of the issue and, where possible, resolve the dispute.

If the Association believes the dispute is not resolved, they may within ten (10) days initiate the formal grievance procedure by completing a District dispute form and submitting the completed form to the Superintendent.

Upon receipt of the Claim, the Superintendent shall again meet with the parties of interest. Within ten (10) days of this meeting the Superintendent will render a written decision and the reasons for the decision to the Association representatives.

Any appeal of this decision by the employee group shall be made in writing to the Board of Education within ten (10) days following receipt of the decision.

The Board of Education shall meet with the parties of interest and render a decision on the appeal and the reasons therefore in writing no later than the close of the second regular Board meeting following receipt of the appeal.

SECTION 7.7  Third Party Representation

District employees shall have the right to third party representation when asked to meet with a building level administrator and/or an immediate supervisor when/if a professional improvement plan or job threatening written reprimand is to be discussed. This provision shall not apply if the meeting is the first meeting on a particular issue called by the administrator or supervisor and the only persons in attendance are the employee and the administrator or supervisor. Any subsequent meetings on the same topic, or in which multiple administrators or supervisors are present, or a job threatening improvement plan or job threatening written reprimand is issued shall allow for employee third party representation, if requested by the employee. This representative must either be a district employee or an employee group representative.

Meetings which would allow for a third party representative must be scheduled a minimum of three (3) days in advance, unless this provision is waived by the employee. The representative may confer with the employee but shall not be a spokesperson for the employee.

All parties involved in such meetings shall conduct themselves in a professional manner.
The addition of the opportunity for third party representation at the building level does not change an employee’s right under current policy to have third party representation at meetings regarding employment issues with district level administration. This does not include actions that must be taken immediately.

ARTICLE 7
GRIEVANCE PROCEDURES

SECTION 7.1  Board Grievance Policy

The Board of Education recognizes that in any workplace misunderstandings and disputes arise. If left unresolved, these disputes could undermine staff morale and can interfere with the educational mission of the District. The Board has adopted a formal process for dispute resolution that encourages staff members to resolve concerns quickly and at the most immediate administrative level. This policy does not limit the right of any employee to file grievances under any Board Policy and Regulation that provides a procedure for grieving a matter pursuant to state or federal law.
SECTION 7.2 Definitions

Grievance- A claim by an employee(s) that a written Board policy or administrative regulation has been violated or misapplied. This policy is not applicable to the content of performance evaluation nor to decisions for which state statute provides a means of resolving disputes, i.e. non renewal, termination, and reduction in force.

Day- When the dispute resolution policy requires certain action to be taken within a specific number of days, days means working days and specifically excludes weekends and school holidays. When counting days, begin with the first day following the event.

SECTION 7.3 Informal Resolution

Employees who believe that a written Board policy or administrative regulation has been violated, must meet with their immediate supervisor within ten (10) days of the alleged violation. The purpose of this informal conference is to attempt to provide clarification of the issue and, where possible, resolve the dispute.

SECTION 7.4 Formal Resolution

If the dispute is not resolved within four (4) working days of the informal conference, the staff member may initiate the formal procedure by completing a District Dispute Form and submitting this form to the staff member’s immediate supervisor. A completed District Dispute Form must be submitted to the employee’s immediate supervisor within ten (10) days of the informal conference.

1. Step One: Immediate Supervisor. Within four (4) days of receipt of the completed dispute form, the immediate supervisor will schedule a meeting with the staff member and the staff member’s representative, if desired. Within ten (10) days of this conference, the immediate supervisor will provide the staff member with a written response to the dispute.

2. Step Two: Superintendent’s Designee. If the employee is not satisfied with the resolution at Step One, the staff member may refer the dispute in writing to the Superintendent. To proceed to Step Two, the District Dispute Form must be submitted to the Superintendent within four (4) days of receipt of the Step One decision. Upon receipt of the District Dispute Form, the Superintendent shall designate a District employee to hear the Step Two dispute. Within four (4) days of receipt of the District Dispute Form, the Superintendent’s designee shall schedule a conference with the employee and the employee’s representative if desired. Within ten (10) days of the conference the Superintendent’s designee will provide the staff member with a written response to the dispute.

3. Step Three: Review by the Superintendent. If the employee is not satisfied with the resolution of Step Two, the employee may refer the District Dispute Form to the Superintendent for direct review. To proceed to Step Three, the District Dispute Form must be submitted to the Superintendent within four (4) days of receipt of the Step Two decision. Within four (4) days of receipt of the District Dispute Form, the Superintendent shall schedule a conference with the employee and his/her employee representative, if
desired. Within ten (10) days of this conference, the Superintendent will provide the employee with a written response to the dispute.

4. **Step Four: Board of Education Review.** If the employee is not satisfied with the resolution at Step Three, the employee may refer the District Dispute Form to the Board for their consideration. To proceed to Step Four the District Dispute Form must be submitted to the Superintendent within four (4) days of receipt of the Step Three decision. At the next regular Board meeting following the submission of the District Dispute Form, the Board will consider the dispute and determine whether to conduct a formal review of the dispute. If the Board determines that its formal review is not necessary, the decision at Step Three becomes final.

If the Board determines that its formal review is warranted by the dispute, the Board will set a date for formal review. At formal review both parties are entitled to be represented by legal counsel. Procedures for formal presentations of the dispute are determined by the Board in its discretion. Within ten (10) days of the formal review the Board will provide the staff member its written decision. The decision of the Board is final and binding on all parties.

**SECTION 7.5 Miscellaneous Provisions**

1. Failure of an employee to comply with the timelines provided in the procedures above will result in a final rejection of the dispute.

2. Failure of the administrator to comply with the timelines provided in the procedures above will result in the dispute being advanced to the next step.

3. Neither party to a dispute will be permitted to add witnesses or documentation which was not provided at preceding steps.

No employee will be retaliated against for the good faith submission and processing of a dispute under these regulations.

**SECTION 7.6 Procedure for Organizational Claims**

The Association may make claims pursuant to this provision. If the Association believes there has been a violation, misinterpretation, or misapplication of any of the following which are written: laws, policy, rules, orders, administrative regulations and procedures, representatives of the Association must meet with the Superintendent prior to filing a formal grievance. The purpose of this informal conference is to attempt to provide clarification of the issue and, where possible, resolve the dispute.

If the Association believes the dispute is not resolved, they may within ten (10) working days initiate the formal grievance procedure by completing a District dispute form and submitting the completed form to the Superintendent.

Upon receipt of the Claim, the Superintendent shall again meet with the parties of interest. Within ten (10) working days of this meeting the Superintendent will render a written decision and the reasons for the decision to the Association representatives.
Any appeal of this decision by the employee group shall be made in writing to the Board of Education within ten (10) working days following receipt of the decision.

The Board of Education shall meet with the parties of interest and render a decision on the appeal and the reasons therefore in writing no later than the close of the second regular Board meeting following receipt of the appeal.

SECTION 7.7  Third Party Representation

District employees shall have the right to third party representation when asked to meet with a building level administrator and/or an immediate supervisor when/if a professional improvement plan or job threatening written reprimand is to be discussed. This provision shall not apply if the meeting is the first meeting on a particular issue called by the administrator or supervisor and the only persons in attendance are the employee and the administrator or supervisor. Any subsequent meetings on the same topic, or in which multiple administrators or supervisors are present, or a job threatening improvement plan or job threatening written reprimand is issued shall allow for employee third party representation, if requested by the employee. This representative must either be a district employee or an employee group representative.

Meetings which would allow for a third party representative must be scheduled a minimum of three (3) days in advance, unless this provision is waived by the employee. The representative may confer with the employee but shall not be a spokesperson for the employee.

The building administrator and/or immediate supervisor who initiated the meeting with the employee shall control the meeting agenda. All parties involved in such meetings shall conduct themselves in a professional manner.

The addition of the opportunity for third party representation at the building level does not change an employee’s right under current policy to have third party representation at meetings regarding employment issues with district level administration. This does not include actions that must be taken immediately.

APPENDIX A

Example of Holiday Pay
An 8 hour, 12 month custodian earning $10.00 per hour would be paid in the following manner for a paid holiday:

He/she would be paid $80.00 for the paid holiday, and this sum would be a part of the annual salary listed on the letter of appointment. (For instance, four paid holidays included on the 12 month calendar would result in $320.00 being added to the annual salary.)

If however, the custodian was required to come to work on that paid holiday, he/she would be paid at the regular rate for the number of hours of required work (e.g. $40.00 for 4 hours, $80.00 for 8 hours.) Working 8 hours on a paid holiday would result in double pay. The additional hours payment for this required work would then be paid in the next month’s check.

Letter of appointment shows annual salary based on:
247 Workdays 8 hours X $10.00 X 247 = $19,760.00
4 Paid Holidays 8 hours X $10.00 X 4 = $320.00

Total Annual Salary $20,080.00

Custodian required to work on 1 paid holiday 8 X $10.00 = $80.00 to be paid as “extra hours” in the month following work on a paid holiday. This means the holiday will be paid at double time.
