### **Employment**

#### **Employment Procedures**

For Title I staff qualifications and hiring, refer to Policy and Regulation 1621 – Title I.

#### **Background Checks**

No person will be employed by the Board until the District obtains a clear criminal records check and a clear check of the DHSS Family Care Safety Registry. Additionally, and prior to offering employment to any teacher who had previously been employed by a Missouri school district or charter school, the Superintendent/designee shall obtain from the Department of Elementary and Secondary Education the identity of the school district or charter school that had previously employed the applicant. The District will contact the former employer to determine if such applicant had been terminated or resigned in lieu of termination; or against whom allegations of sexual misconduct had been substantiated by the Children's Division.

All persons employed by outside vendors/contractors who will have contact with students will be required to successfully undergo a criminal records and a clear check of the Child Abuse/Neglect Registry prior to contact with students. Such background checks will be performed at the vendors/contractors' expense and will, upon request, be shared with the District. All finalists for an employment position will be required to sign a release of liability authorizing prior employers, including school districts, to furnish any information about the applicant and the applicant's work performance, including but not limited to discipline records and performance evaluations. The Administration may also conduct random background checks after employment. As part of the criminal records check, any person employed after January 1, 2005, shall submit two sets of fingerprints to be used by the Missouri Highway Patrol and the Federal Bureau of Investigation. The fingerprints shall be collected pursuant to standards determined by the Missouri Highway Patrol. All District employees who are authorized to access the Missouri Automated Criminal History Site (MACHS) will only use such criminal history information for purposes of verifying qualifications for employment. The District will not create copies of the criminal record for employment record purposes and will not disseminate the record, except as permitted by law.

The District will designate a full-time employee, who will be fully trained in the Missouri Highway Patrol's automated criminal history site (MACHS), to serve as the District Local Agency Security Officer (LASO). The District's LASO Security Officer will be responsible for

implementation and oversight of the District's Use of MACHS for all applicants. Any employee who attempts to access MACHS without authorization, improperly disseminates an applicant's criminal history record or facilitates unauthorized access to MACHS, will be subject to disciplinary action up to and including termination. Such improper use of the MACHS system constitutes an "incident" requiring reporting. Immediately upon knowledge of an "incident," the District's Local Agency Security Officer (LASO) will be notified, in writing, describing the "incident." The LASO Officer will then notify the Missouri Highway Patrol with the details of the "incident."

### **Vacancies**

**Performance Evaluation**

**Certificated Personnel Performance Evaluation**

The Board of Education's ultimate goal in education is to provide the highest quality educational experience to all District students. The District's performance-based evaluation system contributes to that goal by promoting the professional improvement of each staff member and, when necessary, by providing data to remove an employee whose employment is detrimental to students.

Performance-based evaluation is a process endorsed by the Board of Education for performance improvement that includes identification of performance expectations, documentation of performance, discussion of performance, development of improvement plans, and making personnel decisions based upon performance. The evaluation process for every employee is an on-going process that takes place every day. Formal, summative evaluations will be prepared and reviewed with each tenured teacher at least every other year. All other District employees will receive summative evaluations annually.

Evaluation of all teachers is to be made in accordance with the following guidelines:

1. Procedure for Evaluation - The evaluator shall be the teacher's principal and/or immediate supervisor.

2. Frequency and Time Schedule

a. Probationary Teachers

All probationary teachers shall be evaluated annually. The evaluations will be completed by March 1.

b. Tenure Teachers

A permanent teacher may be evaluated at any time at the teacher's request or the evaluator's discretion. However, the teacher must be evaluated at least once every four years before March 1.

c. Reevaluation

A teacher may request a reevaluation of the formal evaluation between March 1 and April 1. The principal will complete the evaluation prior to October 15.

3. Evaluation Conference - The evaluator(s) shall discuss with the teacher in personal conference the evaluation instrument and any other information relative to the success and professional growth of the teacher.

The District's performance evaluation system incorporates the seven "Essential Principles of Effective Evaluation" adopted by the State Board of Education and set out as follows:

1. Uses research-based and proven practices to measure educator performance;
2. Establishes performance indicators for educators based on their level of performance;
3. Aligns the evaluation process with an educator's probationary period to provide for an appropriate accumulation of performance data;
4. Uses student learning, based on a variety of performance measures, in the evaluation process;
5. Assesses educator performance on a regular basis and provides feedback to teachers and administrators that they can use to improve their performance through their careers;
6. Ensures evaluators are highly trained so that evaluation ratings are fair, accurate and reliable; and
7. Uses the evaluation process to guide school district policies that impact the development of educators and student learning.

Notwithstanding the State's essential principles, the major focus on the District's evaluation system is on positive learning outcomes, cognitive and affective, for District students. Educators are responsible for the positive learning outcomes for their students.

**Performance Evaluation**

**Non-Certificated Staff Performance Evaluation**

3. Quantity of work
4. Dependability
5. Cooperation
6. Attendance
7. Punctuality
8. Other areas as appropriate for the specific job

**Drug Free Workplace**

The unlawful possession, use or distribution of illicit drugs and alcohol on school premises or as a part of school activities is strictly prohibited.

Employees under the influence of alcohol, drugs, or controlled substances while on duty are a serious risk to themselves, to students and to other employees. The District's responsibility for chemical dependency is limited to its effects on the employee's job performance. If the employee violates this policy, refuses to accept diagnosis and treatment, or fails to respond to treatment, and performance is adversely affected, the employee will be subject to employment action in proportion to the performance problem. Implementation of this policy will not require or result in any special regulations, privileges or exemptions from the standard administrative practice applicable to job performance requirements.

Upon the request of the Department of Elementary and Secondary Education or an agency of the United States, the District shall certify that it has adopted and implemented the drug prevention program described in this policy, in the form required by such agency. The District shall conduct a biennial review of this policy to determine its effectiveness, implement necessary changes, and to ensure that the disciplinary sanctions are consistently enforced.

It shall be a violation of this policy for any employee to possess, use, manufacture, distribute, or be under the influence of medical marijuana in any manner inconsistent with Missouri state law and applicable regulations.
