Kindergarten

We welcome students entering kindergarten for the 2022-2023 school year to enroll in Summer Success. You will first register your incoming kindergarten student for the 2022-2023 school year. At the completion of your registration for the upcoming school year, you will have the option to also register for Summer Success. Additional information regarding registration will be shared through ISD robocalls, emails and the District website www.isdschools.org.

7th & 8th Grade

Students who wish to add an elective to their schedule for the 2022-2023 school year may complete PE / Health for credit during Summer Success. This allows most students to choose two elective course options for their schedule in the upcoming school year. Summer school is condensed into one month. Any day missed is equivalent to missing three regular school days. Students taking P.E. and Health for credit during Summer Success may not exceed two absences.
