

Women's History

The following essential questions represent the major concepts studied and assessed in this course.

Unit 1

Historiography

- What is the role of history in our lives?
- How do our identities shape our role in society?

Unit 2

Rule of Law

- How did women actively participate in the Puritanical era?
- How did women use their position in patriarchal society to their/their mission's advantage?
- How were women's activities in this era curbed by social and legal limitations?
- How did women secure the right to vote?
- What is the next frontier of equality in the US?

Unit 3

Inclusion

- What does the US government say about inclusion in US society?
- How have minority groups of women interacted in US society?
- What struggles have been present in minority groups in a journey to equality?

Unit 4

Role of the Media

- How has the role of women been shaped by the media?
- What socialization of gender occurs in mass media?
